RUSHVILLE HUB OF FAST HORSES

And Dick Wilson is Seated on the
Hub—Gets HedgeWood Boy
and Lady Maud C.

BEST BUNCH IN THE WORLD

Never Before Did Any Driver Have
Such a Stable—Has Three
"Two Minuters."

Rush county will be the hub of the harness world after two weeks, for a deal has been closed whereby Dick Wilson, one of the best, if not the best driver in the world, will come in possession of Hedgewood Boy and Lady Maud C., two of the speediest animals on the turf and the sensation of the two past seasons.

With Aileen Wilson, Dick Wilson will have three horses that can step at two minutes or better, and never before in the history of the light harness horses was there a trio of such speedy animals in one stable. It is not only the very highest compliment to Mr. Wilson, but it is a credit to old Rushville to have such a talented man living within its boundaries.

Hedgewood Boy has a record of 2:02 1/4 and recently the owner refused an offer of \$40,000 for him. Lady Maud C. is a full sister to Hedgewood Boy and has a record of 2:04 1/4. They have been considered the best two horses in the business and were the biggest money getters for two seasons. In this respect, Aileen Wilson, was the only real dangerous competitor of the speedy brother and sister. Dick Wilson is highly elated over securing the two fast horses and said last night:

"There is nothing else to it: I will go out next season with the fastest bunch of horses that any man in the history of the world ever took out and I doubt if ever such a stable will be taken out by any other man for years to come."

In addition to the three world beaters, Wilson will have a stable of other good horses, among them a four-year-old filly by Jerry Wilkes that has a brilliant future and also a number of his Patchen Boy colts.

Hedgewood Boy and Lady Maud C. will be shipped in two weeks from Hillsboro, Illinois, where the owner, J. C. Crabtree, lives. They will be quartered in the Wilson barn for the winter where he will have personal supervision over them. By special permission with the owner, Mr. Wilson will make a short season, before training time, with Hedgewood Boy. Many mares will be shipped in here from various parts of the country, but only a limited number will be accepted. This will be an excellent opportunity for Rush county breeders who have mares with any class to them, for this will be one of the requisites.

MARRIED MAN IS ARRESTED

On Serious Charge at the Instigation
of a Young Girl.

City Marshal Price today arrested Joseph Mary of Manilla on a warrant sworn out by Miss Dora Stewart of Shelby county, who says Mary is the father of her unborn babe. Mary is a married man and has been employed by Jap Case, west of this city, for some time. The affidavit was prepared in Squire Jackson's court. Mary gave bond in the sum of \$500 and was released.

This is the time of the year that one looks at the date on the pink tag on his paper and if it don't read 1909, well—

JUDGE DISMISSED JURY

Yesterday Afternoon After Verdict
in Blind Tiger Case.

Judge Will M. Sparks dismissed the jurors yesterday evening immediately after they had rendered a verdict on the blind tiger case as that was the last one upon which a jury will be needed in this term of court, which ends next Saturday. The judge thanked the members of the jury for the kind attention which they had given to the evidence in the various cases throughout the term.

IN LIMELIGHT OF COURT'S DOMAIN

Are Several Rush County People in
the Fayette Circuit
Court.

THEY FIGURE IN THREE CASES

The first two cases scheduled for the Fayette circuit court concern former Rush county people. The Examiner says: "The case of the State of Indiana vs. John McCarty is set for tomorrow. The case promises to be an interesting trial. Mr. McCarty is charged with keeping his grandchild from its mother. The suit is a habeas corpus proceeding.

The case of the State vs. William O'Keefe is set for Friday. O'Keefe is the former telegraph operator who is charged with passing fraudulent checks." He formerly lived near Falmouth.

The Tribbey case will be called later.

SAYS HE CANNOT GET JUSTICE HERE

But is That What he Wants? Tribbey Case on Another
Docket.

FILES A LENGTHY COMPLAINT

The case of the State of Indiana vs. John B. Tribbey, charged with intent to commit murder in the first degree, has been venued to the Fayette circuit court from Rush county, says the Connersville News.

Tribbey, as most News readers will recognize, was the victim of the recent whitecapping in Rush county. He is held on a grand jury indictment in a bond of one thousand dollars, for having, it is alleged by six witnesses before the grand jury, attempted to take the life of Henry G. Conoway, on June 7, 1908. He was indicted by the grand jury September 8th of this year.

Tribbey filed a long affidavit asking for a change of venue on the ground that he can not get justice in Rush county. Along with the affidavit are many newspaper clippings bearing on the whitecapping and the recent trial of the men he accused of the deed. The time has not yet been fixed for the trial here.

Rushville Council No. 887, Royal Arcanum, elected the following officers last night to serve the coming year: Regent, Fred Caldwell; Vice Regent, Chas. A. Mauzy; Orator, Taylor Lakin; Secretary, J. Feudner; Collector, Geo. C. Wyatt; Treasurer, W. A. Caldwell; Chaplain, Ralph Payne; Guide, Bruce A. Graham; Warden, Wm. Dagler; Sentry, Ed Crosby. These officers will be installed on January 8th.

Miss Dove Meredith Awarded Verdict
For Personal Injuries
Sustained.

FELL OFF CITY STREET CAR

Accident Occurred Three Years Ago
—Case Was Venued to
Lebanon.

Miss Dove Meredith, who lives in North Morgan street, this city, but employed in the Indianapolis News office was today awarded a verdict for \$5000 damages against the Indianapolis Street Railway Company for injuries sustained. The case was first filed in the Marion circuit court and afterwards venued to Boone county, where it was heard this week. Her brother, Gilbert Meredith, attended the trial at Lebanon.

The accident in which Miss Meredith was injured occurred in Indianapolis three years ago. She had signalled the conductor to stop a car at a certain point and was making ready to get off when the car gave a sudden jerk and threw Miss Meredith violently to the ground. She suffered for some time from the effects of her injuries and incurred a large medical bill for treatment.

One of the peculiar phases of the case was the fact that the plaintiff could not get a single witness to testify in her behalf, while the street car company had a dozen or more. The only testimony introduced in her behalf was her own testimony and it evidently had great effect with the jury for they decided in favor of her.

The jury retired last evening at 6:30 o'clock at the conclusion of the introduction of evidence and returned a verdict for the plaintiff at 10 o'clock this morning. Douglas Morris of this city, represented Miss Meredith.

FARMERS OF RUSH COUNTY LEADERS

Far Excel Residents of Other Counties in Producing Stock—
Large Shipment This Week.

MARKET EXTREMELY GOOD

That Rush county farmers are good stock producers is evidenced by the fact that there has been one continued stream of cattle and hogs passing through this city for the past two weeks on the way to market. There was more stock shipped from this city last Monday than there ever was as far back as the oldest pioneer can remember.

John Leisure of Ripley township sold \$22,000 worth of cattle to Trabue & Lyons of Mays last week besides a large number of hogs. The herd of Herford steers, valued at \$6000 which were driven through this city last Monday were probably the finest bunch of cattle ever sold in this county.

These two instances are only fair examples of the sales which have been made lately. At almost any time in the day loads of hogs are being hauled in from all directions. The market is extremely good which fact accounts for the numerous sales.

THE WEATHER.

Rain in south and rain or snow in north portion tonight and Thursday. Lower temperature.

FREE TUITION FOR TWO GIRLS

Will be Given by the Women's Auxiliary of the Farmers' Institute.

WILL MEET NEXT SATURDAY

Women of Rush County Are Invited
to Affiliate With This Profitable
Movement.

The Women's Auxiliary of the Farmers' Institute will hold a meeting in the assembly room of the court house next Saturday and all the township vice presidents are urged to attend.

The women of Rush county are all invited to attend this meeting and become a member of the organization. The good to be derived from the auxiliary is not generally appreciated. For a small entrance fee, one can become an active member and not only enjoy the various meetings throughout the year, but participate in the food contests when prizes are awarded.

Anyone desiring to join may confer with Mrs. Laura B. Leonard, president, or Mrs. Will Alexander, secretary.

Each active organization of this character in Indiana is authorized to elect annually two persons—either young men or young women—to scholarships in the School of Agriculture of Purdue University.

These scholarships are good only for the year ending June 30 after the date of issue, and are not valid unless filed at the University before or at the time of registration. They will effect a saving in fees of \$10 in the winter course of agriculture and \$35 per year in the regular course in agriculture, or in any of the agricultural courses, and also in the winter course in Household Economics.

In case no meeting of the association is held in time for action on the application for scholarship, the officers may appoint and later submit their action to the association for formal approval.

DAY CURRENT WILL SOON BE A REALITY

Contract to be Received on December 31, and Awarded on January 4th.

COUNCIL MET LAST NIGHT

The city council met in regular session last night and disposed of their regular business. It was decided to hold a special meeting on the night of December 31, at which time the council will resolve itself into a finance committee and will receive bids for the new unit which is to be installed in the city water and light plant.

Then a meeting will be held again on January 4, and the contract will be awarded. The day current will soon be a reality in Rushville. It is the intention of Superintendent Mahin to push the work as fast as possible. Not only the business men but also the people in the residence district have long felt that this was a necessity and are very much gratified to hear that the city council has taken the initiative in the matter and make it possible.

Catherine, the daughter of Mr. and Mrs. Warder Wyatt, living on the corner of Third and Perkins street, has the diphtheria.

"PEDDLAR'S PACK" OPENED

Last Night at Home of Mrs. Bert
Trabue in North Morgan
street.

The "Peddlars Pack" was opened last night at the home of Mrs. Bert Trabue in North Morgan street. The ladies soon sold out all of their stock of goods which consisted mostly of homemade articles such as dolls, doll's clothes and fancy work. Light refreshments were served during the evening.

HIGH GEAR PUT ON UNCLE SAM'S BOYS

Christmas Mail Causes Them Extra
Hours of Toil and Heavier
Work.

TASK WILL BEGIN THIS WEEK

Although the Christmas mail, except that for foreign ports, is not yet in the hands of Uncle Sam's thousands of hustling servants, the city carriers and clerks have already taken on that "high tension" look and are prepared for the annual grind that takes away much of the attractiveness of a civil service position.

The latter part of this week will witness the first consignment of domestic mail. This will afford plenty of time for transportation and delivery in to the farthest points of this country. All of next week will witness a congestion, not only at the local postoffice but in every office of any size or importance in the land.

ANNUAL BANQUET WAS BIG SUCCESS

Knights of Columbus Celebrated the
Fifth Anniversary of Local
Council.

MANY GUESTS WERE PRESENT

The fifth annual banquet, given by the members of the local council of the Knights of Columbus last night in their club rooms, celebrating the installation of the chapter in this city was a success in every particular.

The elaborate menu which was served by Conroy and Madden, consisted of a full course turkey dinner with all of the "fixins." A splendid musical program was furnished by the Sumann five-piece orchestra of Raleigh.

John Geraghty appeared at the head of the table as toastmaster. The following members responded to toasts: James Gym and James Riley of Cincinnati; William Regan of Connersville; Harry Skehan of Indianapolis and Father Cronin, Dennis O'Neil, John Laughlin, Al. Simmes, Tony Schrichte and John Demmer of this city.

Connersville Examiner: Mr. and Mrs. Ernest McGraw, Mr. and Mrs. George Volkert and Mr. and Mrs. A. J. Harrison will attend the wedding of Miss Flossie Newkirk and Mr. William Winship at Rushville next Tuesday night.

The ravages of consumption, trachoma and other diseases of a like nature are so great among the natives of Alaska that in a few decades the races of that section will be extinct.

ONE OF THE BIG MEN EMPLOYED

Is Clarence C. Eaton, C. S. B., Who
Will Deliver Christian Science
Lecture.

THEY DO NOT SEEK CONVERTS.

Lectures Are Given That a Full Ex-
position of the Science
May Result.

In all probability a large crowd will be in attendance at the Christian Science lecture at the Grand theater next Sunday afternoon which begins at three o'clock. Many people have little or no idea of the doctrines taught by this denomination and will take advantage of the opportunity of hearing a full and comprehensive exposition by one cloaked in authority to speak, a graduate of the metaphysical school and one that comes with a message to deliver ex cathedra.

The local scientists feel that they were fortunate in securing Clarence C. Eaton, C. S. B. of Tacoma, Washington to deliver a lecture in Rushville, as he is rated the very best and ablest exponent of the doctrines in this country. The church has a board of lectureship, in the United States composed of fifteen members and Mr. Eaton is one of the fifteen.

It is not the purpose of the Christian Scientists to get converts at these lectures, but rather they are held to correct the false ideas that are prevalent and to rectify misapprehensions of the teachings they follow.

It is not the intention of the local scientists to have the meeting when it would conflict with the Mens Big Meeting but in view of the fact that it was impossible to secure Mr. Eaton at any other time, they were obliged to accept the date.

TWO DOLLAR PRIZE FOR LOU CALDWELL

Was the First Correct Answer That
Was Found in a Barrel of
Them.

INTEREST INCREASING DAILY

Mrs. Lou Caldwell of 1027 North Main street, is the winner of last night's Missing Word contest, her answer being the first correct one taken from a large pile submitted today. Mrs. Caldwell will receive the two dollar prize as no one guessed the words on the previous night. The missing words last night were "useful" in Carmichael's ad and "ga-gore" in Kramer's ad.

The contest is increasing in interest from day to day and many will no doubt regret that it is not a permanent feature. But a few more days remain and it behooves the industrious and willing to "hurry, hurry, hurry" if they want to figure in the prizes awarded.

CARD PLAYERS ARE NOW IN DANGER.

According to a decision just rendered by the postoffice department at Washington, it is illegal to send through the mails invitations to bridge parties where prizes are given to the winners. The department takes the stand that card parties are lotteries when prizes are given and therefore matter relating to them is unavailable under the postal regulations regarding lotteries.

EACH COUNTY IS TO HAVE A JUDGE

Is the Plan Which Senator Abe Halleck Means to Present in His Bill Next Term.

CREATE SEVERAL NEW ONES

But Would Not Have Any Judge Serve in the County in Which he Resides.

Senator Abram Halleck, of Rensselaer, has up his sleeve a bill which he says he will introduce that will probably raise a lot of smoke says the Connersville News. Halleck wants each county to have its own circuit court judge. But he would not have any judges serve in the county in which he resides. This would make it necessary for a judge to leave home and remain away in another county during all the time he was holding court. But Halleck argues, it would fix things so that no one could say that any judge was prejudiced or biased because of local conditions.

Halleck's plan would create about twenty-five more judgeships in the State and while many of the counties affected will surely favor the passage of such a bill in order to get a court of its own, there will be raised the cry of extravagance, and this may hurt the bill's chances. But Halleck says he will push it, just the same.

Another legislator at the special session offered a bill to reduce the salaries of judges to the old figure of \$2,500. By putting the two provisions together the charge of extravagance would be answered. Still, while in some counties a judge would be busy most of the time, in others, a judge would have a lot of time to devote to charitable work, to playing solitaire or to any other pastime for which his mind had a bent.

EXHIBITION OF HEATHEN LIFE

Through the Medium of Moving Pictures Will be Shown at the Christian Church.

IN CONNECTION WITH RALLY

Stereopticon Slides Will Also be Used Giving an Idea of Missionary Work.

The genius of Edison has at last been brought under tribute to the world-wide missionary enterprise. On the evening of December 17, there will be given at the Main Street Christian church of Rushville a striking exhibition of heathen life through the medium of moving pictures. These moving picture films have been secured by the Foreign Christian Missionary Society, and will be shown on the above date in connection with the Missionary Rally at the church. Two years ago a deputation was sent around the world to secure these pictures. These men traveled in Africa, India, China and Japan. They secured the moving pictures under great difficulties. One of the scenes is that of the awful sacrifice in the temple of Kali at Calcutta, India. It was necessary for the man taking the pictures to bribe the priests and then after getting access to the great heathen temple he was obliged to secrete himself behind the pillars of the temple during the period of sacrifice.

These moving pictures bring the customs and the awful need of these far away lands before the very eyes of the people. In connection with the moving pictures, many stereopticon slides will also be shown, exhibiting various phases of heathen life and missionary work around the world.

During the summer the Young People's Missionary movement, the organization first securing these pictures, gave an exhibition of them in Baltimore. The largest theater in the city was secured, seventy-five cents admission was charged, and three thousand people attended. This shows the popularity of these pictures.

The Foreign Society of the Christian church is the first organization in America to bring these scenes before the churches. This will be a rare opportunity for the people of this city.

Rally Program

The Foreign Missionary Rally will be held in the Christian church of this city tomorrow. The service will begin promptly at 1:30 o'clock in the afternoon. President A. McLean of the Foreign Missionary Society will be in charge and will give a Bible study on missions. The other speakers will be as follows:

"The Work of Missions a Partnership With Christ," by C. R. Berry, Carthage.

"The Missionary Obligation Arising From Our Plea," by D. H. Patterson, Milroy.

"A Missionary at Work in China," by Herbert P. Shaw, China.

"The Same Consecration for Both," by L. A. Winn, Centerville.

"A Four-Fold Advance in This Centennial Year," by Roscoe C. Smith, New Salem.

"Fields White Unto Harvest," by A. Burns, Morristown.

"Some Experiences of a Medical Missionary in China," by Dr. James Butchart, China.

"The Work of Missions a Partnership With Christ," by L. C. Lowe, New Castle.

"Missions a Man's Job," by W. R. Jinnett, Manila.

The walls will be adorned with maps and charts. A supply of books and other literature will be on the table.

At 7:30 o'clock there will be a mass meeting. The admission is free. The moving picture machine and stereopticon is the best on the market. An offering will be taken to pay the expense of the machine and the operator. The pictures are from the mission fields and are of the greatest interest to young and old. Those who wish good seats, or seats at all, should be on hand early.

YULETIDE AIR IN THE LOCAL STORE

All Are Making Special and Elaborate Preparations For the Christmas Trade.

MANY ARE OPEN OF EVENINGS

Throngs of Shoppers Are Increasing Upon the Streets Every Day.

There is not a business house in the city but what has made extensive preparations for the holiday season. The offerings of the local merchants are exclusive in certain lines and there is no need for out of town shopping. In some cases the wants of the purchaser may be better supplied right here than any other place. Here you see the goods before buying. In purchasing from a catalogue one never sees the article until it is unpacked.

The Christmas features are many this year. Some of the displays are as a matter of course, more elaborate than others. Some of the stores have a yuletide air about them which impresses one the moment he enters. In some of the stores the regular lines are displayed, while in others special attention has been given to Christmas goods exclusively.

In the toy line there are countless articles which attract and at the same time instruct the young. Other lines shown are for the older people and consist of useful as well as ornamental articles. In every instance where a merchant has striven to produce an effect not usually seen, something new has been displayed. The markets are crowded with novelties in all lines and the customer surely must be hard to please who cannot be satisfied at home.

Most of the stores are open of evenings during this week, and will remain open every night until after Christmas. As the happy holidays approach so will the throng upon the streets increase until Christmas eve, which is the culmination of all.

What Our Neighbors Are Talking About

FIFTEEN MEN CUT.

(Connersville Courier.)

Fifteen men were seriously cut last night in various places in the city. They will all recover from the injury. Then men who committed the deed promenaded up and down the streets unmolested. The cut came when the barbers of the city received a settlement last night for yesterday's work.

If any business house in the city had reason to complain of the dullness of trade yesterday it was the barber shops. It may be said truthfully that trade in this line, on Saturday especially, was never known to be as quiet with the crowd of people in the city as it was yesterday. Most any time during the day one could have passed a shop and seen from one to three barbers sitting down waiting for customers. It may be attributed to the fact that the holiday season is on and men are too busy to attend to their faces, but the astonishing feature of it is that nine out of ten men on the street were shaved. The question arises where did it happen? Not in Connersville surely. Then again, have the citizens of Fayette county who've been in the habit of having their tonsorial work executed in this city formed a combine to shave themselves? If so the barber stands a poor show to purchase Christmas presents for his family.

CALDWELL LOST IN STOCKYARD FIRE

Conflagration at an Early Hour Today Caused Loss of Nearly \$50,000.

EIGHTY HORSES WERE BURNED

A fire which caused a loss of nearly \$50,000, and in which eighty horses were burned to death, visited the Indianapolis stockyards shortly after 4 o'clock this morning.

George Caldwell, the proprietor of the Exchange Hotel at the stockyards and formerly a liverman in this city, had two fine horses, five cows and several vehicles in the barn and he saved only one cow, which broke away from her stall and wandered out. Caldwell's loss was about \$1000.

*** XMAS IS A FEAST DAY BUT NOT A FAST DAY. ***
Christmas, although it comes on Friday, is to be a feast and not a fast day.
A special dispensation has for centuries been in force in the Roman Catholic church, whereby Catholics are allowed to eat meat on Christmas when it falls on Friday.
But New Year's Day will be a fast day.
The day before Christmas is always a fast day, unless it falls on Monday. In such cases the fast is observed the preceding Saturday.

The Younger Set

By **ROBERT W. CHAMBERS.**
Author of "The Fighting Chance," Etc.

Copyright, 1907, by Robert W. Chambers.

Now Rosamund had meant to go wherever they were going merely because they evidently wished to be alone. The abruptness of the check both irritated and amused her.

"If I knew anybody in the Bronx I'd make you take me there," she said vindictively. "But as I don't you may drop me at the Orchids, you uncivil creatures. Gerald, I know you want me anyway, because you've promised to adore, honor and obey me. If you'll come with me now I'll play double dummy with you. No? Well, of all ingratitude!"

And she smiled dazzlingly upon Gerald, then turned up her pretty nose at him, but permitted him to attend her to the Orchids' door.

When he returned to Alix and the car was speeding parkward he began again eagerly:

"Jack asked me to come up, and, of course, I let you know, as I promised I would. But it's all right, Mrs. Ruthven, because Jack said the stakes will not be high this time."

"You accepted?" demanded Alix in quick displeasure.

"Why, yes, as the stakes are not to amount to anything."

"Gerald!"

"What?" he said uneasily.

"You promised me that you would not play again in my house!"

"I—I said for more than I could afford."

"No; you said you would not play. That is what you promised, Gerald."

"Well, I meant for high stakes. I—well, you don't want to drive me out altogether, even from the perfectly harmless pleasure of playing for nominal stakes."

"Yes, I do."

"W-why?" asked the boy in hurt surprise.

"Because it is dangerous sport, Gerald."

"What! To play for a few cents a point?"

"Yes, to play for anything. And as far as that goes there will be no such play as you imagine."

"Yes, there will—I beg your pardon—but Jack Ruthven said so."

"Gerald, listen to me. A bo—a man like yourself has no business playing with people whose losses never inter-

fere with their appetites next day. A business man has no right to play such a game anyway. I wonder what Mr. Neergard would say if he knew you?"

"Neergard! Why, he does know."

"You confessed to him?"

"Yes; I had to. I was obliged to—to ask somebody for an advance."

"You went to him? Why didn't you go to Captain Selwyn or to Mr. Gerald?"

"I did; not to Captain Selwyn. I was ashamed to. But I went to Austin, and he fired up and lit into me, and we had a muss-up, and I've stayed away since."

"Oh, Gerald! And it simply proves me right."

"No, it doesn't. I did go to Neergard and made a clean breast of it. And he let me have what I wanted like a good fellow."

"And made you promise not to do it again?"

"No, he didn't. He only laughed. Besides, he said that he wished he had been in the game."

"What!" exclaimed Alix.

"He's a first rate fellow," insisted Gerald, reddening, "and it was very nice of you to let me bring him over today. And he knows everybody downtown too. He comes from a very old Dutch family, but he had to work pretty hard and do without college. I'd like it awfully if you'd let me—if you wouldn't mind being civil to him once or twice, you know. I'm going to propose him for the Stuyvesant and the Proscenium. Why not?"

"I see. And now you propose to bring him to my house?"

"If you'll let me. I asked Jack, and he seemed to think it might be a"

SO DECEPTIVE.

Many Rushville People Fail to Realize the Seriousness.

Backache is so deceptive.

It comes and goes—keeps you guessing.

Learn the cause—then cure it.

Nine times out of ten it comes from the kidneys.

That's why Doan's Kidney Pills cure it.

Cure every kidney ill from backache to diabetes.

Here's a Rushville case to prove it:

Mrs. Berry Abernathy, 818 W. Third street of Rushville, Ind., says:

"My husband was subject to attacks of lumbago for a long time. He was troubled with a severe lameness in the small of his back, which would come on suddenly and force him to stop work. He applied plasters, rubbed his back with liniments, also used numerous remedies, but received little benefit. Reading of Doan's Kidney Pills he was induced to get a box at F. B. Johnson & Co.'s drug store. They soon banished the trouble and restored strength and energy. We think highly of Doan's Kidney Pills and are pleased to let others know of them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

people's sises can still talk to you know."

"I want you to believe me your friend," said Gerald in the low, resolute voice of unintentional melodrama. "Why, thank you. Are you so sure you want that, Gerald?"

"Yes, as long as I live!" he declared, generous emotion in the ascendant. A pretty woman upset him very easily even under normal circumstances. But beauty in distress knocked him flat, as it does every wholesome boy who is worth his salt.

And he said so in his own naive fashion, and the more eloquent he grew the more excited he grew and the deeper and blacker appeared her wrongs to him.

She was very light hearted that evening when she dropped him at the Stuyvesant club and whizzed away to her own house, for he had promised not to play again on her premises, and she had promised to be nice to him and take him about when she was shy of an escort.

On her way home Alix smilingly reviewed the episode until doubt of Selwyn's approval crept in again, and her amused smile had faded when she reached her home.

To be Continued.

A CAT AND DOG TIME

Hereditary Enemies Face Each Other in Show at Chicago Today.

Chicago, Dec. 16.—For three days beginning today, the Coliseum Annex is to be filled with fine specimens of cats and dogs, the exhibits in the annual cat and dog show.

The show is given jointly by the Beresford Cat club, the Western Boston Terrier club and the American Toy Dog club. The number of exhibits is greater than ever before, and the show is the finest ever given in Chicago.

Witnesses Being Examined Today.

Flushing, N. Y., Dec. 16.—A jury having been selected to try Thornton J. Hains, a story writer, as a principal in the killing of William E. Annis, a publisher, who was shot to death by Captain Peter Hains at the Bayside Yacht club last summer, the state is today presenting its case against the author. It is expected that the examination of witnesses by both sides will consume at least two or three days.

The Story Not Verified.

Vallejo, Cal., Dec. 16.—Chief of Police Stanford has received a request by telegraph to investigate a story told by L. P. Stout, a naval apprentice, who is being held on board the prison ship at Manila as the result of having confessed committing a murder in Pittsburgh. The Pittsburgh police are unable to verify his story.

Don't Let the Child Choke to Death While Waiting for the Doctor.

Croup should have prompt treatment. The life of many a dear one has been sacrificed because the right remedy was not at hand.

Pay close attention to the child who is feverish, thirsty, and occasionally coughs dryly. This is the first stage of croup, and treatment should be given.

Hyomei, the miraculous, antiseptic dry air treatment, will cure croup in either the first or second stages. Easily inhaled, even when the breathing is irregular, it reaches more promptly than any other remedy, and terribly inflamed membrane of the windpipe. Its soothing balsams act immediately, the inflammation is allayed, and the swelling reduced.

"Not long ago our little boy, Walter, awoke in the night with a bad attack of croup, so that he experienced great difficulty in breathing. We allowed him to inhale Hyomei, and he immediately began to breathe easier, and in half an hour was fast asleep. Our children, being subject to croup, we feel safe with Hyomei in the house, and I am glad to speak a good word for a remedy that will rob croup of its terrors."—Rev. Geo. Sisson, Pastor of M. E. church, South Londonberry, Vt.

Hyomei (pronounced High-o-me) is the quickest acting and most sensible remedy ever discovered for all diseases of the nose, throat, and lungs. It is guaranteed by F. B. Johnson & Co. to cure catarrh, coughs, colds, asthma, bronchitis and croup, or money back. A complete outfit, including a neat hard rubber pocket inhaler, cost only \$1.00. An extra bottle of Hyomei, if afterwards needed, cost but 50 cents.

A pill in time that will save nine is Ring's Little Liver Pill. For biliousness, sick headache, constipation. They do not gripe. Price 25c. Sold at Lytle's Drug Store.

Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.
